- February 13th, 2025 -

Annual fundraiser to support William & Mary Study in D.C. Students

Event Overview

The evening will feature a one-of-a-kind wine-tasting experience by Vienna Vintner. The tasting will feature 18 wine selections handpicked with complimentary food pairings. Full bottles and cases of wine will also be available for purchase at the event. Additionally, experience whiskey through a different lens with a top-shelf whiskey tasting by Reboot Beverages.

All fundraising profits will be used for student scholarships. Our goal at the W&M Washington Center is to remove financial barriers so ALL students who want to participate in our life-changing programs are able to. Vienna Vintner will donate 20% of the proceeds from wine sales to the Washington Center for student scholarships, and Reboot Beverages will donate 10% of the proceeds. We look forward to a night of great company, great wine, and creating opportunities for ALL W&M Washington Center students!

Take a moment to hear about the impact that this fundraising had from the students themselves on the next page.
