

## Course/Class Fee Opt-Out

Course fees may be assessed to students who enroll in certain courses, i.e. applied music, lab, art, kinesiology, psychology, etc. The fees are charged to provide funding to support class activities. Courses subject to a fee (see list below) are identified in the class schedule as “Additional Fee Required”. The College reserves the right to make changes to course fees at any time. Other fees specific to certain programs or activities may be found on the main page under Tuition & Fees for Undergraduate and Graduate students.

In an effort to protect students and ensure their best interest, the U.S. Department of Education published new rules effective October 30, 2015. The excerpt provided below highlights the information contained in the rule pertaining to course fees and materials.

### **34CFR668.164 (c) (2) page 67196 (PDF page 72):**

*(2) An institution may include the costs of books and supplies as part of tuition and fees under paragraph*

*(c)(1)(i) of this section if —*

*(i) The institution—*

*(A) Has an arrangement with a book publisher or other entity that enables it to make those books or supplies available to students below competitive market rates;*

*(B) Provides a way for a student to obtain those books and supplies by the seventh day of a payment period; and*

*(C) Has a policy under which the student may opt out of the way the institution provides for the student to obtain books and supplies under this paragraph (c)(2). A student who opts out under this paragraph (c) (2) is considered to also opt out under paragraph (m) (3) of this section;*

*(ii) The institution documents on a current basis that the books or supplies, including digital or electronic course materials, are not available elsewhere or accessible by students enrolled in that program from sources other than those provided or authorized by the institution; or*

*(iii) The institution demonstrates there is a compelling health or safety reason*

The College works with suppliers for best pricing and to deliver books/supplies that are available the first day of class. Opting-out of the fee (if available) will hinder your success in the class and **is not recommended**. Students wishing to exercise their right to opt-out of an eligible course fee should complete, sign and submit the Course Fee opt-Out Form located at the bottom of this document and submit it to the Student Account’s Office no later than the end of the add/drop period of the current course term. Please see listing below for those courses with fees eligible to opt-out. \*

***\*There are currently no course fees eligible for opt-out .***

***\*The EMBA program purchases books/supplies for the students in their program; some may be eligible for the opt-out option. For more information, please contact the EMBA program directly.***
