

WILLIAM & MARY

CHARTERED 1693

Process for Revising
the *W&M Faculty Handbook*
Committee on Academic Affairs

November 2023

What is the *W&M Faculty Handbook*?

1. Statement of rights and responsibilities of all members of the W&M community (Sec. I)
2. Definition of roles and delegations consistent with Board Bylaws (all sections)
3. Foundation for shared governance: organization (Sec. II) and faculty-specific policies (Sec. III)
4. Knowledge repository (all sections)

November 16-17, 2023

What Authorities Govern the *Handbook*?

The Board of Visitors (BOV) is the ultimate institutional authority under the *Code of Virginia*. Per the *Faculty Handbook*, p. 8, “Nothing in this document shall affect the powers of the Board of Visitors as provided by law.”

Per the **BOV Bylaws**, the BOV approves major policy and organization changes per the **president’s** recommendation – or delegates such authority to the president.

As approved by the BOV, the *Faculty Handbook* specifies roles, delegations, and processes related to academic matters – including the formal advisory role of **Faculty Assembly** and the **Personnel Policy Committee** with respect to amendments.

Why Revise?

1. The legal landscape has changed significantly since 2008
2. Multiple academic entities are considering reorganization and should have due recognition in their new forms: A&S, CDAS, etc.
3. Governance reviews are expected for accreditation on a 10-year cycle (due 2026)

Principles for Revision

1. Assume positive intent
2. Respect the time of all involved
3. Work in a transparent way
 - Set clear deadlines and deliverables
 - Give due regard to established roles and authorities
 - Consult multiple perspectives and constituencies
 - Show and tell process

Faculty Handbook Committee

President's Charge to the Committee: lead a transparent process for updating the *Faculty Handbook*, consistent with the Board's September 2023 charge. Identify goals for revision from key constituencies, establish and publish a scope of work, then seek approval for changes and craft language per those approvals. Complete work by Fall 2024.
