PLEASE NOTE

- All courses must be selected in consultation with a Gender, Sexuality, & Women's Studies advisor. All courses taken outside Gender, Sexuality, & Women's Studies and used to fulfill credits towards the major must be approved by the Curriculum Committee.
- If you take a course that is cross-listed with Gender, Sexuality, & Women's Studies but you register for it in the other department, you may count that course towards your Gender, Sexuality, & Women's Studies major without getting approval from the Curriculum Committee.
- No more than ten credits of introductory courses (excluding GSWS 205) and six credits of Independent Study may count toward the major.
- Some courses will have multiple attributes (for instance, both GIN and LGBT), but you may NOT double-count a single course to fulfill multiple attribute requirements.
