

Creating an Event on Your GivePulse Page

This brings you to the event creation workflow, starting with the Basic information necessary.

The screenshot shows the event creation form with the following fields and callouts:

- Name ***: Text input field with a note: "A great name is unique and descriptive".
- Virtual/Remote Opportunity**: Dropdown menu set to "No".
- Type ***: Three dropdown menus: "Volunteer Opportunity", "Single Day", and "No Shifts/Timeslots". A callout box points to these with the text: "You have many type options. Based on your selections, GivePulse will customize other settings".
- When ***: Fields for Start Date (02/27/2022), Start Time (11:00 am), and End Time (3:00 pm).
- Timezone ***: Dropdown menu set to "(GMT-05:00) Eastern Time (US & Canada)".
- Participants Needed ***: Text input field set to "20" with a note: "Number of spots available or the maximum number of registrants allowed/needed."
- Administrator ***: Text input field with "Elizabeth Miller" and a dropdown menu for "Display Full Name".
- Privacy Level**: Dropdown menu set to "Private - Entire Network".
- Visibility for Non-members**: Two dropdown menus: "Visible on search page" and "Visible on group page(s)". A callout box points to the second dropdown with the text: "You can always use ? buttons to see descriptions of all options for that setting".

Don't forget to adjust privacy and visibility settings based on who you want to register

You can always use ? buttons to see descriptions of all options for that setting

You can now either **Publish** your event or **Save and Continue** to customize further (logos, registration settings, etc.)
