

- Nominations & Elections Committee (3-year term) (*FAC recruits & announces nominees; N&E runs actual election*).
- Committee on Degrees (4-year term).
- Faculty Compensation Board (4-year term).
- Faculty Hearing Committee (3 year active + 3 year alternate).

May

- Chair of Faculty Affairs Committee** (*This person is nominated by FAC, so N&E does not recruit for it, but simply administers the election.*)
- Chair of Education Policy Committee** (*Like the chair of FAC, the EPC committee nominates a potential chair for the following year; N&E simply administers the election.*)
- Address any additional committee replacements needed for the following year by appointment or election. It is best to end the year without any loose ends hanging so the next N&E chair does not begin the fall semester with lots of replacements to fill.

** Elections for the chairs of FAC and EPC can occur any time after new members of those committees have been elected and before the end of the academic year.

E. Arts & Sciences Areas

For convenience, the three A&S areas specified in the A&S *Bylaws* are repeated here.

- Area I: Art & Art History, Classical Studies, English Language & Literature, Modern Languages & Literatures, Music, Philosophy, Religious Studies, Theatre, Speech & Dance.
- Area II: Anthropology, Economics, Government, History, Kinesiology & Health Science, Military Science, Psychological Sciences, Sociology.
- Area III: Applied Science, Biology, Chemistry, Computer Science, Geology, Mathematics, Physics.
