

PCI News & Updates

October 2024

SAQS

A BIG THANK YOU to all of our merchants for completing this year's annual SAQ survey!

Reminders

- Regularly reconcile TouchNet sales to Banner
- Regularly reconcile revenue with deposits
- Keep PCI logs current
- Before requesting Clover or TouchNet access for a new user:
 - Did they complete PCI Training?
 - Did they complete IT Training?
 - Did they review store procedures?
 - Did they review IT Policy?
 - Did they sign the confidentiality agreement?

Question Central

Did You Know?

Not keeping software updated creates an opening for criminals to access our devices through security vulnerabilities. They can then search for personal information and sensitive data to exploit. That's why tech companies release software updates—they're like quick fixes to seal up these security gaps and protect our information.

Stay Safe!

- Turn on auto updates
- Watch for notifications
- Install updates quickly

PCI Committee Spotlight

Meet Matt Keel. Matt graduated from W&M in 1999 and has been working in the IT Department for 24 years. His team is responsible for incident handling, vulnerability management, endpoint protection and suspicious emails reported to abuse@wm.edu. He also provides technical advice for the PCI Committee. Outside of work he enjoys soccer and reading.
