

Financial Assistance for Sport Clubs

This assistance is available to students that want to participate on a sport club but do not have the financial ability to cover the cost associated with club participation. Please fill out the form and send it to the Office of Financial Aid at aid@wm.edu. You will be notified by Campus Recreation on the status of your funding. There is no guarantee of funding. Funds are available based on financial need. You must have completed the FAFSA form for consideration. Funding is limited and will be allocated on a first come, first serve basis

I understand that if I receive funding that I will remain an active participant on the sport club, and that I will regularly attend practices, participate in fundraising activities, and other normal sport club duties. I also understand that if I decide to no longer participate with the sport club, I will notify the Assistant Director of Campus Recreation for Sport Clubs immediately. Failure to do so could jeopardize future funding. Funding will be distributed each semester and is for only one year. I understand that I must reapply each year I would like to receive funding.
